

Mixed Mode Install Notes

If you see this dialogue box while installing AWP 4, see the notes below on how to correct this issue and proceed to install your copy of AWP 4.

1. In the Start Menu, Click on the All Programs Menu

2. Go to and select: Microsoft SQL Server 2008 R2

3. Under Microsoft SQL Server 2008 R2 select: SQL Server Management Studio

4. When the Connect to Server Window comes up for the type of Authentication: select "Windows Authentication"

| S Microsoft SQL Server Management Studio | | | X |
