Re: **Oscar 2 without software availability.**

Dear SunTech Customer,

SunTech is making a change to the availability of Oscar 2 without software. All versions of Oscar 2 will now include the software as standard, and it will be no longer possible to order Oscar 2 without software after June 1st 2021.

The following part numbers are will no longer be available after the last time buy date provided:

Part Number	Description	Last Time Buy date
99-0133-10	Oscar 2, standard, without software	1 June 2021
99-0133-11	Oscar 2, Bluetooth, without software	1 June 2021
99-0133-12	Oscar 2, SphygmoCor, without software	1 June 2021
99-0133-13	Oscar 2, SphygmoCor and Bluetooth, without software	1 June 2021

This change does not affect Oscar 2 M250 with software, which will continue to be available.

For questions on availability and end of life, contact Alex Forward on aforward@suntechmed.com
